

EMEKA GEORGE

◇ **Front-end Developer**

[Email](#) ◇ [Linkedin](#) ◇ [GitHub](#)

SUMMARY

Front-end Developer with hands-on experience designing and deploying web applications from concept to launch. Skilled in React, with a focus on building scalable, secure, and user-friendly solutions. Completed comprehensive training in modern web development and actively building projects to strengthen my skills.

EDUCATION

freeCodeCamp Certifications

2025 - 2026

- Responsive Web Design
- Front End Development Libraries.

Self-Taught Developer,

2025 - 2026

- Completed extensive coursework including freeCodeCamp's Full Stack Development and CodeBlockDev's(**Udemy**) Frontend Development courses.

SKILLS

Frontend Development: HTML, CSS, JavaScript, React JS, Bootstrap, Responsive Design, Git, Flexbox, Grid.

Design: Adobe Photoshop, Figma, Responsive Design

Tools & Platforms: VS Code, GitHub, Chrome DevTools.

PROJECTS

- **Modern Landing Page:** Built a fully responsive and visually engaging landing page featuring smooth animations, modern UI design, and mobile-first approach using HTML, CSS, and JavaScript. Implements best practices in web accessibility and performance optimization. ([Click Here](#))
- **Memory Flip Card Game:** Developed an interactive memory game with flip card animations, using Javascript. Features responsive design, game state management, and smooth user interactions to create an engaging gaming experience. ([Click here](#))

- Portfolio Website: Created my personal portfolio website showcasing my projects and skills with a clean, professional design using HTML and CSS. Features project showcases, contact form, and fully responsive layout. ([Click here](#))

EXPERIENCE

Digital Dreams Tech Hub – Frontend Developer Intern, Enugu, Nigeria | Oct 2025 – Dec 2025

- Built and styled UI components with HTML, CSS, and JavaScript.
- Collaborated with designers to create responsive, accessible layouts.
- Documented code and presented weekly updates to mentors and team leads.

EXTRA-CURRICULAR ACTIVITIES

- Actively learning and practicing frontend development daily through hands-on projects
- Building and maintaining projects on GitHub to demonstrate coding abilities
- Engaging with the developer community through LinkedIn and coding forums
- Committed to continuous learning and staying updated with the latest web development trends and best practices.
